

ROAD MAP TO INCLUSION

ATTITUDES

Historically attitudes towards disability have been negative. Question this! Be welcoming and willing. Change habits, routines and assumptions.

- Ask wheelchair users to audit your facility.
- Check signage and communications.
- A culture of respect is part of access.

ACCESS

- Make your intentions clear.
- Ditto your commitment!
- Use different formats (large fonts, Braille, etc.)
- Language matters!

COMMUNICATIONS

CHOICES

POLICIES

Are your policies inclusive?
What can you do to influence this?

- Ask how people would like to participate.
- Consult with community groups when unsure.
- Identify gaps in provision.

OPPORTUNITIES

- Adapt and modify activities.
- Seek out training and resources.
- Showcase good practice.
- Try something new!

YOU'VE ARRIVED AT
'THE IMPOSSIBLE!'
